## ***Women's Retreat: Mother Night and Seeing in the Dark***

March 9-11, 2012  
Friday 7:30 pm – Sunday 1:00 pm

The Creative life force is urging and nudging us to move into the realm of mystery, dreams, darkness and the unexpected. At this turning of the year, we awaken and welcome the Medial Woman within, who walks between the worlds. With her guidance we reclaim the soulful gifts set into our soul at birth, gifts abandoned possibly in the unconscious through neglect, ignorance and fear. We will draw upon Mother Night, our wild, loving companion as we kneel to dig down to mine the raw gems of spirit, soul and creative life, bringing diamonds from the darkness into the light of loving service.

**Esther Kennedy, OP, MSW**, a Dominican Sister of Adrian, believes that we are created with a depth of spirit and presence that yearns to be freely poured out into the world. Esther is the Director of Spirit Mountain Retreat in Idyllwild, CA ([www.spiritmountainretreat.org](http://www.spiritmountainretreat.org)).
